

Maastricht University

Applying for a master's programme

These pages contain more information about applying for a master's programme at Maastricht University. As a prospective master's student, you will first have to register via Studielink. This procedure is identical for all standard programmes. The admissions procedure, admission requirements and the application deadlines can differ per programme. You can find more information about the application process for your programme on the application page of your master's programme.

Please note: Legally, you can only start a master's programme once you have successfully completed your bachelor's programme.

The '[Maastricht University regulations](#)'-page contains more information about the laws and regulations that could have an effect on the start date of your programme and the amount of tuition you will be required to pay.
