General requirements: previous education

The admission requirements for the academic year 2024-2025 for the bachelor's programme in Circular Engineering depend on your previous education. Please check below which requirements apply to you.

## **Applicants with a Dutch diploma**

You qualify for admission if you have one of the following diplomas:

- VWO Natuur en Techniek
- VWO Natuur en Gezondheid + Wiskunde B + Natuurkunde

If you do not have one of the above mentioned diplomas, Maastricht University will decide whether you qualify for admission.

#### **Need more information?**

Feel free to contact us directly in case of questions about the admission requirements: <u>fse-admissions@maastrichtuniversity.nl</u>

## Applicants with a non-Dutch diploma

You qualify for admission if you have one of the following diplomas with the following subjects:

**German**: Zeugnis der allgemeinen Hochschulreife (Abitur)

- Mathematics (Grundkurs up to and including the final year)
- Physics (Grundkurs up to and including the final year)
- Chemistry and/or Biology (Grundkurs up to and including the final year)

**Belgium**: Algemeen Secundair Onderwijs (ASO), Diplome de l'Enseignement Secondaire Superieur, enseignement Général or Abschlusszeugnis der Oberstufe des Sekundarunterrichts, allgemeinbildender Unterricht

- Mathematics (at least 4 hours per week in the last two years)
- Physics (at least 2 hours per week in the last two years)
- Chemistry and/or Biology (at least 2 hours per week in the last two years)

#### United Kingdom: GCE, AICE or International A/AS-levels

- Mathematics (A-level)
- Physics (A-level)
- Chemistry and/or Biology (A- or AS-level)

#### **European Baccalaureate**

- Mathematics (at least 5 hours per week in the last 2 years, and as an exam subject)
- Physics (up to and including the final year, and as an exam subject)
- Chemistry and/or Biology (up to and including the final year, and as an exam subject)

#### International Baccalaureate

- Mathematics: Analysis and Approaches (SL or HL)
- Physics (SL or HL)
- Chemistry and/or Biology (SL or HL)

If your diploma is not mentioned above, Maastricht University must evaluate it first. **As this takes time, please apply as early as possible.**

## Applicants who do not meet the subject requirements

UM will always check whether you qualify for admission, and you will be informed if you do not meet the admission requirements.

#### Eliminating deficiencies

If you have a <u>VWO diploma or international equivalent</u>, but do not meet the <u>subject requirements</u>, you can take additional courses and/or exams at the following institutes:

#### **Mathematics**

- CCVX (Wiskunde B)
- Boswell-Beta (Wiskunde B)
- OMPT (OMPT-B min. score 70% or OMPT-D min. score 60%)

#### Physics, Chemistry and / or Biology

- CCVX
- Boswell-Beta

For students proficient in Dutch, deficiencies can also be lifted by obtaining 'vwo-deelcertificaten'.

Please note that Maastricht University does not have a corporate agreement with external institutes and therefore cannot help you with applying for courses or exams offered by external parties.

## Additional requirements

### Language requirements for English-language programmes

As English is the language of instruction in this study programme, it is essential that your English language skills are good enough for you to undertake intensive and challenging academic courses that are taught and examined in English.

Answer the questions below to find out if you meet the language requirements.

Do you hold a Dutch pre-university education (VWO) diploma?

YesNoUndo

# Applicants who received their previous education in a non-EU/EEA country (handling fee)

Applicants to this study programme who received their previous education in a non-EU/EEA country will have to pay a handling fee. More information on this handling fee and how to arrange this payment can be found on the <u>Handling fee page</u>.

## Documents required for application process

During the application process for this study programme you will need to complete a number of tasks for which you will often have to upload documents. The list below gives you an insight into what documents you will (and might) need to prepare.

### Required documents for all applicants to this study programme

- A recent passport picture

  The passport picture must satisfy certain requirements
- A copy of your valid passport or your EU/EEA identity card\*
   Make a copy of the page with your personal details. Save this copy as 'passport copy' and not as 'passport picture'
- · A copy of your most recent grades transcript
- A certified copy of your diploma if you have obtained it

### Documents that might be required depending on your (academic) background

- Prove proficiency in subjects with evidence of additional courses or tests in the required subjects (if applicable)
- Document(s) that demonstrate your proficiency in English (if applicable)
   Answer the questions concerning language requirements under 'Language requirements for this English-language bachelor's programme' on this webpage to find out if you need to provide additional documentation. The outcome of your answers will indicate which documents you can use to prove your proficiency.

### **Credit transfer**

If you have studied at a university (of applied sciences) before, you may qualify for exemptions up to a maximum of 30 ECTS. This means you can use the results you obtained elsewhere for your study programme at Maastricht University.

The Board of Examiners will determine whether this is possible in your case. They will compare the content and level of your previous education with the course or subject for which you are requesting exemption. To make use of this possibility, you must submit an exemption request to the study programme's Board of Examiners. The Board of Examiners will only consider a request for exemption when you are enrolled in the study programme in question.

# How do we assess your application?

### **Matching survey**

Maastricht University finds it most important that you choose a study programme and learning environment that suits you well and in which you can be successful. This is why a matching survey is an optional part of the application process. This survey will help you determine whether your expectations match the requirements of the programme. You will receive an invitation to complete the questionnaire in the application portal once you have completed your application.

# **Binding Study Advice**

This study programme has a Binding Study Advice. This means that in your first year of the programme, you must obtain a minimum of 45 out of 60 ECTS credits. Students who fail to meet these criteria will receive a negative Binding Study Advice that leads to exclusion from the programme for a period of six years. All students who are at risk of receiving a negative Binding Study Advice will receive a warning after the first semester.
