## Phase 1: Apply via Studielink

To start the application process for this pre-master's programme, you first need to apply via [Studielink](#). Studielink is the Dutch central organisation that keeps track of applications and enrolments at institutions of higher education in the Netherlands. In Studielink, you can apply by indicating which study programme at Maastricht University (UM) you would like to apply for, whether you'd like to start the programme in September or February (if the latter is an option), what previous education you followed, and you might need to provide a number of other details.

- 🕒 In Studielink, select 'Maastricht University' in the first drop-down menu ('Educational institution').
- 🕒 Do not select anything in the other drop-down menus (Type of study programme, Academic load, Main language).
- 🕒 Type 'Pre-master Globalisation and Development Studies' in the search field. You can now select the pre-master in the result overview.

Studielink offers two methods of signing in: with or without using DigiD:

- ⦿ If you live in a Dutch municipality, you can only register using your DigiD. If you live in a Dutch municipality, but do not yet have a DigiD yet, you will need to request one ([Apply for a DigiD](#)).
- ⦿ If you do not (yet) live in the Netherlands, you can register by creating a Studielink account (without DigiD). As your personal details will not have been verified through DigiD, UM will check your personal details.

### MyApplication portal

To allow UM to assess whether you qualify for admission to the study programme of your choice, you need to complete a number of tasks in the MyApplication portal, the online environment in which the rest of your application process will take place. All the tasks you need to complete, such as uploading certain documents, will be presented here in a clear overview. Make sure you fulfil the tasks indicated in the MyApplication portal on time. This means that you should upload documents as soon as you have finalised them and/or have them in your possession. The sooner you complete a task, the sooner we can give you feedback if you need to add or correct anything. Please pay attention to the deadlines indicated, as they can differ per study programme.

Once you have completed all of your admission tasks, your application dossier is ready to be presented to the Board of Admissions. Depending on your programme, this will be done immediately when it is complete (rolling basis), or after an indicated deadline.
