When you want to apply or are applying for this study programme, it is important that you inform yourself of the deadlines that you need to meet. The important deadlines when applying for this study programme are provided in the table below.

Note: if you are viewing this webpage on your phone, we recommend that you use landscape mode.

Date	What you need to know about this date
1 October 2023	Studieliink is open for applications for the academic year 2024-2025
Up to and including 1 May 2024 23:59 CET	Deadline for completing the entire application process for non-EU/EEA applicants (these applicants require a visa or residence permit)
Up to and including 1 June 2024, 23:59 CET	Deadline for completing the entire application process for applicants from the EU/EEA or Switzerland

Please note:

Find out if you can apply for a [scholarship](#) or [financial aid](#). Deadlines for scholarships are often earlier than the dates mentioned above.

In Studieliink, you need to choose the starting moment. Please make sure to select **September 2024** in the pulldown-menu, so that you will apply for the start of the next academic year.

General requirements: previous education

The admission requirements for academic year 2024/25 for the master's programme in European Studies on Society, Science and Technology depend on your previous education. Please check below which requirements apply to you.

Graduates from a relevant university bachelor's programme

You qualify for admission if you have a bachelor's degree from a relevant academic field: social sciences, natural sciences, engineering, or humanities. You also need to have an interdisciplinary interest, and can prove this by transcripts showing interdisciplinary coursework, a CV with relevant work experience, or documentation of relevant extra-curricular activities.

Graduates from another bachelor's programme

Excellent students with a relevant university of applied sciences degree (e.g. HBO/Hochschule) or an academic BA or BSc Bachelor in a field that does not grant direct admission into this programme, can follow a pre-master year. Once successfully completed, this will then guarantee you access to the master's programme European Studies on Society, Science and Technology.

Additional requirements

Language requirements for English-language master's programmes

As English is the language of instruction in this study programme, it is essential that your English language skills are good enough for you to undertake intensive and challenging academic courses that are taught and examined in English.

Answer the questions below to find out if you meet the language requirements.

Do you hold a bachelor's or master's degree in which English was the sole language of instruction?

YesNoUndo

Applicants who received their previous education in a non-EU/EEA country (handling fee)

Applicants for this study programme who received their previous education in a non-EU/EEA country will have to pay a handling fee. More information on this handling fee and how to arrange this payment can be found on the [Handling fee page](#).

Documents required for application process

During the application process for this study programme you will need to complete a number of tasks for which you will often have to upload documents. The list below gives you an insight into what documents you will (and might) need to prepare.

Required documents for all applicants to this study programme

- **A recent passport picture***
The passport picture must satisfy certain [requirements](#).
- **A copy of your passport or your EU/EEA identity card***
Make a copy of the page with your personal details. Save this copy as 'passport copy' and not as 'passport picture'. Your passport must be valid on 1 September 2024.

- **A copy of your most recent certified grades transcript and a copy of your certified bachelor's or master's diploma if you have obtained it**
If you have not graduated yet, you can upload your official grades transcript from your bachelor's or master's programme.
- **Your Curriculum Vitae**
Please list your education, relevant extracurricular activities and internship/professional experience.
- **A motivation letter**
All candidates must write a letter of motivation of circa 500 words. Please provide good arguments about why you want to do this master's programme at Maastricht University and why you believe that you can successfully complete the programme.
- **A writing sample**
All candidates should submit an independently written research paper of at least 2,000 words (excluding the footnotes and reference list) preferably (but not mandatorily) on a relevant topic. You can use a paper from earlier studies or another occasion. It should be written in English.

**As a UM student it is not necessary to upload the above-mentioned documents in the MyApplication portal. However, if your passport will not be valid on 1 September 2024, then you still have to upload a copy of your passport.*

Documents that might be required depending on your (academic) background

- **Document(s) that demonstrate your proficiency in English**
Answer the questions concerning language requirements under 'Language requirements for English-language master's programmes' on this webpage to find out if you need to provide additional documentation. The outcome of your answers will indicate which documents you can use to prove your proficiency.

How do we assess your application?

When you want to apply or are applying to for this study programme, it is useful to know how we assess your application. You can find more information about this [here](#).

All complete application files (including English language test) will be assessed by the Board of Admissions. They will try to respond within four weeks.

Based on the documents you have submitted and the admission procedure for your chosen programme, the UM decides on whether to admit you. Once UM has made a decision on your admissibility, you will be informed about this by email.
