

Application form financial means collaboration budget Radboud University – Maastricht University

Procedure:

Radboud University and Maastricht University have joined forces. By joining forces in education, research, impact and support, they aim to contribute to the strengthening of the Southeast Netherlands region.

Proposals can be made for projects that explore, strengthen or promote cooperation between the two universities. These can be collaborations in the areas of both education, research, impact or support.

Criteria on which projects will be assessed are:

- Contribute to the ambitions as stated in the ambition document. You can find this on the [webpage about the collaboration of Radboud University & Maastricht University](#).
- Contribute to the strengthening of the Southeast Netherlands region.
- Contribute to sustainable collaboration.

Applications can be submitted to the Stuurgroep Samenwerking Radboud University - Universiteit Maastricht via maastricht.nijmegen@ru.nl
