

## **\*Call for Papers and Registration\***

'The Future of Law and Economics' is a joint seminar, organized by Paris University, Maastricht University, Erasmus School of Law and the European Doctorate in Law and Economics

### **10<sup>th</sup> Joint Seminar 'The Future of Law and Economics' Université Panthéon-Assas Thursday 22 and Friday 23 March 2018**

The idea is that PhD students affiliated to one of the organizing universities (for EDLE: 3<sup>rd</sup> year PhDs) present a finished chapter in their research and that seniors from other faculties react to that. Could you please let us know whether you are willing to give a presentation or whether you could (if you already defended your thesis) act as a discussant? In case we receive more papers than can be discussed, we will make a selection. You will be timely informed about this.

Also the EDLEs from Bologna, Haifa and Hamburg are invited to participate!

The seminar is open to all interested PhD students and researchers affiliated to the above mentioned universities and the EDLE.

Please take into account that the Joint Seminar will take two full days (Thursday and Friday).

#### **Registration**

Please let us know as soon as possible whether you will attend the conference by filling out the attached form. The Joint Seminar is free of charge.

*For those who would like to present a paper:*

Please send the attached registration form with your (preliminary) title and an abstract of your paper or the full paper **together with an abstract (in Word) at the latest by 15 January 2018** by email to [rile-sec@law.eur.nl](mailto:rile-sec@law.eur.nl). In your email please indicate how you are affiliated to the Joint Seminar.

Acceptance of proposals will be communicated by the end of January 2018.
