October 2023

Ammodo Science Award for groundbreaking research

This prize is intended to stimulate potentially groundbreaking research. Such research is usually the result of team work, and for that reason this prize is for research being carried out by a group of researchers working together, and is intended to recognise the contribution of every member of the group. The Ammodo Science Award for groundbreaking research is presented to research projects in the following scientific disciplines: Biomedical Sciences, Humanities, Natural Sciences and Social Sciences

Award: EUR 1,600,000 for each of the science domains Natural Sciences and Biomedical Sciences and EUR 800,000 for each of the science domains Humanities and Social Sciences

Career Phase: Team

Nominator: Rector

Internal selection: **Yes, please contact the director of your Research Institute before June 12, 2023**

Deadline: October 6, 2023

November 2023

Spinoza Prize

The NWO Spinoza Prize is the highest award in Dutch academia. Each year, NWO awards the NWO Spinoza Prizes to two researchers working in the Netherlands who according to international standards belong to the absolutely best researchers worldwide. The NWO Spinoza Laureates do outstanding and groundbreaking research with broad impact. They are an inspiration for early-stage researchers. NWO created the prize to increase the visibility of excellent scientists and to encourage world-class research in the Netherlands.

Award: Bronze statue and EUR 1,5 million

Career Phase: Senior scientist

Nominator: Rector

Internal selection: **Yes, please contact the director of your Research Institute before June 12, 2023**

Deadline: November 1, 2023

Stevin Prize

The Stevin Prize is awarded to researchers, or a team of two to three researchers, with international reputations. It is an honorary award celebrating what the winners have achieved in their scientific career regarding knowledge exchange and societal impact. It aims to serve as encouragement to continue doing excellent research with relevance to society. In essence the prize works as an impulse for scientific research and knowledge exchange and impact in The Netherlands. A maximum of two prizes are awarded annually

Award: Bronze statue and EUR 1,5 million

Career Phase: Senior scientist

Nominator: Rector

Internal selection: **Yes, please contact the director of your Research Institute before June 12, 2023**

Deadline: November 1, 2023
