KHMW Dr. Saal van Zwanenberg Honorary Prize

The KHMW Dr. Saal van Zwanenberg Honorary Prize is awarded once every two years as a tribute to a scientist who has made outstanding contributions in the field of research that has directly or indirectly led to the development of new medicines or the processes surrounding them. This includes the full scope of pharmaceutical research: "from molecule to clinical application". In 2025, the prize is intended for a **clinician**.

- **Award: €25,000**
- **For who?** Clinician who holds a professorship
- **Who can nominate?** Two professors
- **Internal decision:** No
- **Deadline: September 18**
