January 2026

Dr. Elizabeth Schram-Mulley Proefschriftprijs Interdisciplinariteit

The Dr. Elizabeth Schram-Mulley (ESM) Foundation rewards research with a special interdisciplinary character that bridges the boundaries between the classic alpha/beta/gamma scientific fields.

- **Award:** EUR 10,000
- **Career phase:** Researcher (promoted between 1/9/2024 – 31/8/2025)
- **Nominator:** Professor
- **Internal selection:** No
- **Deadline:** January 15, 2026

Klokhuis wetenschapsprijs

This prize offers a great opportunity to bring Dutch scientific research to the attention of a young and broad audience. The winning research will be featured in its own episode of *Het Klokhuis*, presenting the work in an accessible and inspiring way to children and young people. It is therefore a fun and valuable way to make research visible.

- **Award:** Klokhuis episode
- **Career phase:** Researcher
- **Nominator:** Everyone (self-nomination included)
- **Internal selection:** No
- **Deadline:** January 16, 2026
