

Helix introduction camp

The camp consists of three days (28th till 30st of August) in Belgium. We will be staying at 't Driege, a nice camp location just across the border. During the camp you will be able to socialize and get to know your fellow BBS students and our study association. Of course, we have many fun activities planned like a game-competition, parties and a cantus!

We will leave for Belgium after the faculty introduction is finished, that is, on the 28th of August, and we will take the bus to the camp site. You can bring your bags with you to the university for the introduction day and you can leave them with us (we will store them at a safe location for you).

The costs of the camp are €37.50. This includes breakfast, lunch, dinner, drinks (unlimited beer and wine) and the overnight stay. The costs of transportation will be paid for by Helix.

If you would like to join us on this trip, please fill in the form (Registration introduction camp SA Helix 2016) on our website

You can also sign up by going to our website (sahelix.nl) and selecting the form under the subtitle INTRODUCTION CAMP.

There are limited places, so make sure you sign up on time!

You don't need to be a member of Helix to be part of this trip. We will not be doing any kind of initiation activities at all. We highly recommend coming, as previous camps have shown some serious "bonding" and many long-lasting friendships have been formed.

IMPORTANT: We recommend that you bring the following items with you:

- Pillow and pillowcase
- Sleeping bag (matrasses are available at the location so you don't need to bring one)
- Toiletries
- Sheets (if you want)
- Clothes

We hope to see you at our camp!
