Getting to FPN

There are several ways to reach the faculty building at Universiteitssingel 40 (UNS40) in Maastricht, where you'll start your Introduction Days.

Train

The NS train station Maastricht Randwyck stop directly in front of the main entrance of the UNS40 building. Check the train schedule from Maastricht Centraal on the [NS website](#).

Bus

There are many bus stops around the faculty, the best way to plan your trip is via www.9292.nl/en, a website that can plan your trip from door to door!

Car

The address for your navigation is Universiteitssingel 40, Maastricht. However, there's limited parking available, so we recommend coming by bicycle or public transport.
