Please be sure to fill out the form for each prompt that you have inserted in an AI tool. The form must be submitted according to the procedure that will be announced by the course coordinator.

---

With this form, you confirm that you've adhered to your course guidelines for using AI tools. That is, you are declaring that all the statements made in this form are an accurate and honest account of the AI's contribution to your work. This means that if the prompt history or generated outputs were to be reviewed, they would corroborate what has been declared here.
