**Report public part of the 168^e meeting of the Faculty Council FHML
On Tuesday January 18th 2022**

0 Preliminary meeting

The Chair welcomes F. Defauwes. She will temporarily replace K. Luyten as a secretary to the Faculty Council, due to maternity leave, and will attend this meeting merely as a listener.

1 Opening, announcements and setting of the agenda

The chair opens the meeting.

**2a Adoption of the text of the public part of the report of the 167th meeting dated
December 14, 2021**

-21.2427o – dated 06-01-22 – report with attachment

See the approved version of the report with reference 21.2427/Io.

2a Comments on the public part of the report

In response to the attached presentation about PhD Research Culture, the Chair indicates that the link to the website where the report about PhD Research Culture was published does not seem to be working. The dean will inquire about this.

3 Announcements of the Dean

In response to an earlier request from the Faculty Council, the Dean indicates that a policy advisor of the Research Office/Grants Office, I. Leijs, will take care of the English translation of the approved, public reports of the FHML Council as of January 2022.

4 COVID-19

The Dean indicates that besides the official communication from the Executive Board, indicating that education will remain online in period 3 and the wearing of face masks will remain obligatory, there is currently no more information to report concerning the corona policy. More information will follow shortly.

5 Housing/area development and new construction Randwyck

The Director FHML indicates that the renovation of Uns50 will start at the end of this month. Construction work on the 1st floor, Uns50-South, will be the first step. At a later stage, the construction work on the 4th floor, Uns50-South, will start.

Various tests are currently being carried out on behalf of Facility Services to measure noise nuisance. When asked, the Director FHML indicates that noise nuisance for the laboratory animals is also taken into account. The first test results show that noise nuisance will be limited, also for the students in the Learning and Resource Centre.

6 Extra items for the agenda

There are no added items for the agenda.

7 Any other business

There is currently no other business to be discussed.

Kim Luyten
