

Deliverable WP 4.4: Policy Coherence for Sustainable Development

Workshop 'Legal Dimensions of Agricultural Trade and Sustainability'

1 March 2024

ONLINE via Zoom

CET TIME 11:00–17:40h

The online workshop takes place on the 1st of March, bringing MATS and external experts together to discuss the legal dimensions of agricultural trade between the EU and other partners.

The first session will discuss general issues of trade concerning the EU (unilateral measures in agricultural trade, FTAs, etc.).

The second session will focus on general issues of agriculture and environment in trade agreements.

The third session will be a roundtable on intellectual property aspects of agricultural trade.
