

Microscopy CORE Lab Ambassadors Day – Celebrating 10 years

5 June 2025 | Faculty of Health, Medicine and Life Sciences | Maastricht University

"Microscopy Without Borders: Fostering Collaboration Across Disciplines"

09:00 Registration and coffee

10:00 Opening and Welcome

- **Annemie Schols**, Dean, Faculty of Health, Medicine and Life Sciences, Maastricht University

10:15 Keynote Speaker

- **Lucy Collinson**, Head of Electron Microscopy Science Technology Platform, The Francis Crick Institute, London. Title: "Imaging life across scales with correlative and multimodal imaging".

11:15 Coffee break

11:45 Ten Years of Collaboration

- **Eddie Wisse**, Professor of Cell Biology and Histology, Vrije Universiteit Brussels
- **Lorenzo Moroni**, Professor of Biofabrication for Regenerative Medicine, Director, MERLN Institute, Maastricht University
- **Matthijs Hesselink**, Professor of Nutrition and Movement Sciences, Maastricht University
- **Marc van Zandvoort**, Professor of Genetics and Cell Biology, Maastricht University
- **Carmen López-Iglesias**, Associate Professor and Head of the Microscopy CORE Lab, Maastricht University

13:00 Lunch

13:45 Microscopy in Movement

- **Kèvin Knoops**, Assistant Professor, Microscopy CORE Lab, Maastricht University

14:30 Ten Years of Developments

- **Alard Roebroek**, Professor of Brain Connectivity and Computation, Maastricht University
- **Ron Heeren**, Professor of Mass Spectrometry Imaging and Director, M4i Institute, Maastricht University
- **Chris Lewis**, Image Processing and Data Analyst, Microscopy CORE Lab, Maastricht University

15:15 Coffee break

15:45 Keynote Speaker

- **Peter Friedl**, Professor, chair of Microscopical Imaging of the Cell at RIMLS including Core Facility for Microscopy. Radboud University Nijmegen Medical Center. Title: "Advanced microscopy of metastatic cancer progression and therapy response".

16:45 Closing remarks

17:00 Drinks, bites and networking
