

Pre-master Arts and Culture

Does your degree (university of applied sciences, or university bachelor) not give you access to the [UM master's programme in Arts and Culture](#) at the Faculty of Arts and Social Sciences (FASoS)? This pre-master's is a preparation programme that bridges the gap between your previous education and the master's. Upon successful completion of this pre-master's programme, you qualify directly for admission to any of the three specialisations in the UM master's in Arts and Culture, provided that you also meet the language requirements.

On this page, you will find important details of the application process for the pre-master's (such as deadlines, admission requirements, required documents and application assessment) for the *academic year 2025-2026*. Check if you qualify for admission to this pre-master's programme.

Language requirements for English-language master's programmes

As English is the language of instruction in this study programme, it is essential that your English language skills are good enough for you to undertake intensive and challenging academic courses that are taught and examined in English.

Please note: the language of instruction and examination is English. Students may choose to take an exam in Dutch, but need to indicate this before the start of each course.

Answer the questions below to find out if you meet the language requirements.

Do you hold a bachelor's or master's degree in which English was the sole language of instruction?

YesNo

Handling fee

Applicants **who received their previous education in a non-EU/EEA country** will have to pay a handling fee. More information on this handling fee and how to arrange this payment can be found on the [Handling fee web page](#).

How to apply

Ready to apply? The application and enrolment process consists of three phases. More information on each of these phases is provided below. Carefully read through the information provided and make sure to complete all tasks as soon as possible (and definitely before the indicated deadlines).

Let us know you want to apply for this study programme

Phase 1: Apply via Studielink

To start the application process for this pre-master's programme, you first need to apply via [Studielink](#). Studielink is the Dutch central organisation that keeps track of applications and enrolments at institutions of higher education in the Netherlands. In Studielink, you can apply by indicating which study programme at Maastricht University (UM) you would like to apply for, that you'd like to start the programme in September, what previous education you followed, and you might need to provide a number of other details.

- In Studielink, select 'Maastricht University' in the first drop-down menu ('Educational institution').
- Do not select anything in the other drop-down menus (Type of study programme, Academic load, Main language).
- Type 'Pre-master Arts and Culture' in the search field. You can now select the pre-master in the result overview.

Studielink offers two methods of signing in: with or without using DigiD:

- If you live in a Dutch municipality, you can only register using your DigiD. If you live in a Dutch municipality, but do not yet have a DigiD yet, you will need to request one ([Apply for a DigiD](#)).
- If you do not (yet) live in the Netherlands, you can register by creating a Studielink account (without DigiD). As your personal details will not have been verified through DigiD, UM will check your personal details.

You will receive an email from UM within 24 hours of having applied in Studielink. This email contains your username/UM student number and a link to create your personal password. You can use these login details to access the MyApplication portal, the online environment in which the rest of your application process will take place. The portal will provide you with a clear overview of all the tasks you need to complete, such as uploading documents and paying your tuition fees.

Allow UM to assess if you meet the admission requirements

Phase 2: Admission

MyApplication portal

To allow UM to assess whether you qualify for admission to the study programme of your choice, you need to complete a number of tasks in the MyApplication portal, the online environment in which the rest of your application process will take place. All the tasks you need to complete,

such as uploading certain documents, will be presented here in a clear overview. You can log into the portal using your username/UM student number and the password you have created (your login name and an explanation on how to create your own password are provided in the email you received from us after your application in Studielink).

Make sure you fulfil the tasks indicated in the MyApplication portal on time. This means that you should upload documents as soon as you have finalised them and/or have them in your possession. The sooner you complete a task, the sooner we can give you feedback if you need to add or correct anything. Please pay attention to the deadlines indicated, as they can differ per study programme.

Once you have completed all of your admission tasks, your application dossier is ready to be presented to the Board of Admissions. Depending on your programme, this will be done immediately when it is complete (rolling basis), or after an indicated deadline.

Required documents

During the application process for this pre-master's programme, you will need to complete a number of tasks for which you will often have to upload documents in the 'MyApplication portal':

- **A recent passport picture**
The passport picture must satisfy certain requirements. You can find these requirements in the task description 'Upload portrait picture' in the MyApplication portal.
- **A copy of your valid passport or your EU/EEA identity card**
Make a copy of the page with your personal details. Save this copy as 'passport copy' and not as 'passport picture'.
- **A certified copy of your most recent grades transcript**
- **A certified copy of your bachelor's diploma**
All applicants must provide proof of having obtained a bachelor's degree in a relevant academic field with a good overall result (a copy of your diploma, including the supplement and associated grades transcript). If you have not yet graduated you can upload your official lists of grades from your bachelor's programme.
- **Curriculum vitae**
All applicants must provide a CV. Please list your education, relevant extracurricular activities and internship/professional experience.
- **A motivation letter**
All applicants must write a letter of motivation. Please provide good arguments about why you want to do this pre-master's programme at Maastricht University and why you believe that you can successfully complete the programme.
- **A writing sample**
All applicants should provide proof of sufficient academic writing/research skills. The Board of Admissions asks the applicant to submit an independently-written research paper of at least 2,000 words (excluding the footnotes and reference list) on a relevant

topic. You can use a paper from earlier studies or another occasion. The submitted work should be written in English.

- **Document(s) that demonstrate your proficiency in English**

Answer the questions concerning language requirements under ‘Language requirements for English-language master’s programmes’ on this webpage to find out if you need to provide additional documentation. The outcome of your answers will indicate which documents you can use to prove your proficiency.

Status updates about your application

From now on, you will receive important information and calls to action regarding your application in the message inbox in the MyApplication portal. We recommend that you regularly log in to the portal to make sure you stay updated. However, we will also notify you of important changes via the email address you provided to Studielink.

Arrange the practical matters required to start your studies at UM

Phase 3: Enrolment

Once you have been offered a place in the pre-master's programme, you need to arrange your enrolment. The tasks you need to complete to be enrolled are listed in the MyApplication portal under ‘Enrolment tasks’. You can find a brief overview below.

Pay your study fee

Every applicant will need to pay their study fee. More information on how to go about arranging your study fee payment is provided in the task description in the MyApplication portal.

Once you’ve received an invite to pay your study fee, it is important that you indicate how you wish to arrange your payment (in Studielink). Do so on time (in any case before the start of your studies). Please also make sure that you pay (the first instalment of) your study fee in a timely manner. Otherwise, you won’t be able to start your studies.

Allow UM to verify your diploma

Dutch diplomas

Did you acquire the diploma on the basis of which you have been offered a place in your study programme in the Netherlands? Then DUO will pass on their verification of your diploma to UM. No further action on your part is required.

Non-Dutch diplomas

Did you acquire the diploma on the basis of which you have been offered a place in your study programme outside of the Netherlands? Then you will need to send a [copy of that diploma](#).

Have you completed your previous education outside of the Netherlands and will you not receive your diploma before the start of your study programme? Then you can send a [graduation statement](#).

More information on the requirements for a (certified) copy of a diploma and for a certified graduation statement, as well as the address these documents should be posted to, is provided in the task description in the MyApplication portal.

Make sure all application and enrolment tasks are fulfilled

UM can only enrol you if you have completed all the tasks in the MyApplication portal. Please make sure this is the case, so that your application and enrolment can be completed and you'll be ready to start preparing for your studies as soon as possible.

Confirmation of Enrolment

When you have been enrolled for your study programme at UM, you will receive confirmation of this from UM (in the message inbox in the MyApplication portal) and from Studielink (by email).

UM email account

Before you start your studies, you will receive the login details for your UM email account. Your UM email address will be used for all correspondence about your introduction programme and the start of your studies. Your private email address will only be used to inform you about the application and enrolment process.

Are you a non-EU citizen requiring a visa/residence permit for study?

Please note that Maastricht University can **only** formally apply for your visa/residence permit if you have met all admission and enrolment requirements.

This means you have to have completed all admission and enrolment tasks in the MyApplication portal (except the tasks 'Arrange visa / legal residence' and 'Send certified copy of diploma') before we can send your application to the IND (Dutch Immigration and Naturalisation Service).

We have to send the application to the IND **before 1 July if you are starting your studies in September**. Please note: A few pre-master's and master's programmes offer a start in February. If you are applying to start your studies in February, we have to send the application to the IND before 1 December. You can find out if your study programme offers a start in February on the admission requirements web page of that programme ([pre-master's](#), [master's](#)).

Therefore, we **strongly recommend** that you reconsider applying for this study programme if you are not sure that you will meet the following requirements before 1 July/1 December (if applicable in your situation):

- Having remedied all subject and/or language deficiencies (if applicable)
- Having qualified for admission to your study programme, including being selected ([if applicable to your study programme](#)) AND

- Having paid the tuition fee for your study programme

How do we assess your application?

When you want to apply or are applying to this study programme, it is useful to know how we assess your application. You can find more information about this below.

The Admission Board of the programme will decide whether you are admitted.

After they have decided on your application, you will receive an email regarding acceptance or rejection to the pre-master year.
