By bus from the Maastricht Central Station:

At the bus stops outside the train station, you have two route choices:

- Take **Bus 9** or **Bus 11** (Stop C) in the direction of **Koningin Emmapelein**. Get off the bus at the Prins Bisschopsingel bus stop.
- Now enter the Tapijn terrain, which is located behind the fence next to the bus stop. The gates are on your right after exiting the bus.
- Go straight towards the long building with red stripes (Het Werkgebouw).
- When passing this building from the left side, EDLAB (**Building X**) will be in front of you.

or:

- Take **Bus 3** in the direction of **Wolder** (Stop B). Get off the bus at the Bouillonstraat bus stop.
- Walk southwards to Lenculenstraat. At Lenculenstraat, take a right towards Tongersestraat.
- After 20 meters, turn left onto the Bonnefantenstraat. Continue to Ezelmarkt and towards Looiersgracht. When you reach Bosquetplein, follow the road through Zwingelput.
- At the end of this street, you'll see the city wall and a doorway to go through the wall over a bridge.
- Cross the little bridge over the river Jeker into the park.
- Take a right (past the donkeys).
- **Building X** is now visible, the entrance is at the back of the building.

By bus from the Maastricht Randwyck station:

At the bus stops outside the train station:

- Take **Bus 10** in the direction of **P+R Noord**. Get off the bus at the Prins Bisschopsingel bus stop.
- Now enter the Tapijn terrain, which is located behind the fence next to the bus stop. The gates are on your right after exiting the bus.
- Go straight towards the long building with red stripes (Het Werkgebouw).
- When passing this building from the left side, EDLAB (**Building X**) will be in front of you.
