Bicycle: you can park your bicycle in the bike racks near the entrance to the **EDLAB** building.

Car: If you need a parking space at Tapijn, please let us know by email as soon as possible, but no later than one day before the event. This allows us to inform the Tapijn front desk. Upon arrival at the Tapijn barrier, mention that you are attending an EDLAB session, state the session name, and provide your name when asked. Please note that parking at Tapijn is only available if you have requested it in advance. Other paid parking options are available nearby, but EDLAB and UM do not reimburse parking costs.
