**Public Report of the 194th Meeting of the Faculty Council FHML
 On Tuesday, 3 September 2024**

Present: see attendance list

1. Opening, announcements and setting of the agenda

The Chair opens the meeting.

2. Introduction of new members of the FHML Council

The (new) members of the Council briefly introduce themselves.

3. Introduction Dean/Vice-Dean

The Dean delivers a presentation on the structure of the Faculty of Health, Medicine and Life Sciences (FHML) and the link between education, research, and patient care. She announces that a new artwork will be unveiled in the 'Co Greep room' (Uns60) on September 18th, to mark the 50th anniversary of the Medicine programme in Maastricht.

During the same presentation, M. Oude Egbrink explains the education component, and S. Kremers provides an update on the "Recognition & Rewards" programme. It is noted that there is some uncertainty regarding who is responsible for covering the costs of certain (leadership) training for staff. S. Kremers clarifies that the department head is the first point of contact.

The presentation slides are included in the public section of the report under reference 24.1275.

4. Announcements by the Dean

The Dean has no announcements and wishes the Council much success in this academic year. She encourages both staff and students to raise questions throughout the academic year.

M. Oude Egbrink informs the Council that the University Library (UB) is open again and fully operational. She also highlights the new options available for recording blogs.

5. Housing/Area Development and New Construction Randwyck

The Dean indicates that this is a standing agenda item, and the Director of FHML will provide monthly updates on the progress of various developments, such as the renovation of Uns50.

6. Additional agenda items

There are no additional agenda items.

7. Any Other Business

No questions are raised during the public round of questions.
