## Info about app

### ***OnBoarding app for new employees and students***

*The app will provide all kind of useful personalised and interactive information to use even before your first day @ Maastricht University.*

*It welcomes you and prepares you for a good start.*

*First fase (boarding) can be used before your first day and the second fase (take off) starts on your first day. The onboarding ends when you have landed safely after 100 days.*

*What can you expect:*

- *Welcome video from manager/progamme coordinator*
- *Get to know your teammates/studentgroup*
  - *UM concepts and abbreviations*
  - *Hotspots: where to go for...*
    - *Useful links*
- *Building information via beacon; who, what, history*
  - *Must reads*
- *Need to know about IT, HR, workspace, education, etc*
