## Capstone

The 'capstone' is a special project you do in the semester before you graduate. You finish this project with a thesis in which you deal with a topic that requires you to use all the knowledge and skills you acquired at the College. An expert in your field will act as your supervisor. Your capstone is your academic calling card when you apply for a master's program after graduation.

**Name:** Lucy, from: France  
**Diploma before UCM:** French Baccalaureate

**Name:** Dominik, from: Germany  
**Diploma before UCM:** Abitur

**Name:** Anke, from: The Netherlands  
**Diploma before UCM:** VWO

**Name:** Joel, from: Britain  
**Diploma before UCM:** Baccalaureate

**Concentration at UCM:**  
Humanities

**Concentration at UCM:**  
Social Sciences

**Concentration at UCM:**  
Sciences

**Concentration at UCM:**  
Social Sciences & Humanities

**Core Courses:**

- Philosophy of Science
- Political Philosophy
- Contemporary World History
- Science, Reason and Human Progress

**Core Courses:**

- Philosophy of Science
- Political Philosophy
- Contemporary World History
- Science, Reason and Human Progress

**Core Courses:**

- Philosophy of Science
- Political Philosophy
- Contemporary World History
- Science, Reason and Human Progress

**Core Courses:**

- Philosophy of Science
- Political Philosophy
- Contemporary World History
- Science, Reason and Human Progress

**General Education:**

- Intro to Game Theory
- Linear Algebra
- Living in a Technological Culture I
- Intro to Science and Technology Studies

**General Education:**

- Intro to Game Theory
- Linear Algebra
- Living in a Technological Culture I
- Intro to Science and Technology Studies

- Ethnography and Qualitative Interviewing I
- Ethnography and Qualitative Interviewing II
- Argumentation I
- Qualitative Research Methods
- French
- Spanish

**Academic Skills:**

- Intro to Academic Skills I + II
- Research Methods I + II
- Presentation Skills
- Argumentation I
- Spanish
- Spanish II

**Academic Skills:**

- Intro to Academic Skills I + II
- Research Methods I + II
- Lab Skills Mol. Life Sciences I
- Lab Skills Mol. Life Sciences II
- Conference I
- Conference II
- Writing II

**Academic Skills:**

- Intro to Academic Skills I + II
- Research Methods I + II
- Argumentation I
- Presentation Skills
- Strategy and Negotiation
- Spanish

**Projects:**

- Writing Project
- Research Proposal Writing
- Ethnography and Qualitative Interviewing III
- Writing Project: The Journal
- Project Academic Debate
- Capstone

**Projects:**

- Writing Project
- Research Proposal Writing
- Writing Project: The Journal
- Project Academic Debate
- Capstone

**Projects:**

- Writing Project
- Research Proposal Writing
- Bioelectronics and Nanotechnology
- Conference III
- Writing Project: The Journal
- Lab Skills Mol. Life Sciences III
- Capstone

**Projects:**

- Writing Project
- Research Proposal Writing
- Think Tank
- Undergraduate Research Project
- Project Academic Debate
- Capstone

**Master after UCM:** Master of Arts in the Netherlands  
**Current Job:** English Literature Teacher in Spain
