

## Climbing Instructor UM SPORTS

*Are you an experienced climbing instructor who enjoys working in a dynamic environment? If this resonates with you, we warmly invite you to apply!*

### Job Description

As a climbing instructor, safety is paramount, and it is essential that you act responsibly. You know how to convey your enthusiasm for the sport to UM SPORTS members. Additionally, you are driven to organize the climbing wall's occupancy optimally and motivate people. A friendly and approachable attitude is important. You will teach during regular class times and are able to deliver the full Indoor Toprope course, including conducting exams. You will also work with the student climbing association MaasSAC and contribute to internal and external events, such as team-building sessions and clinics for schools interested in the sport.

### Responsibilities/Tasks

- Teaching climbing classes to UM SPORTS members.
- Providing the indoor toprope course.
- Conducting exams for the toprope course.
- Organizing clinics, team-building activities, and events for schools and companies.
- Collaborating with the team to keep the climbing wall appealing and accessible to members.

### Requirements

We expect the following from our new climbing instructor:

- Extensive experience in sport climbing;
- Experience in teaching climbing;
- Possession of a SKI certificate (NKBV);
- Excellent communication and language skills in English and Dutch;
- Initiative, independence;
- Enthusiastic, customer-oriented, stress-resistant, flexible, and able to maintain oversight;
- Strong affinity with (student) sports, health, and exercise;
- Flexible availability throughout the week, with times negotiable both during the day and in the evenings, and occasionally on weekends.

### What UM Offers

**As a climbing instructor at the Student Services Centre, you join the most international university in the Netherlands. We offer you:**

- Good employment conditions. The position is classified in scale 7 according to the UFO profile sports instructor, level 4, with a corresponding salary based on experience between €2,899 and €3,809 gross per month (based on a full-time position of 38 hours per week). In addition to the monthly salary, an 8.0% holiday allowance and an 8.3% year-end bonus apply.
- As Maastricht University, we offer various other attractive secondary employment benefits, such as a good pension scheme with ABP, participation in corporate fitness, and access to the extensive sports facilities we also offer to our students.

- A creative role with a lot of freedom in a pleasant and unique working environment.
- A free sports subscription with UM SPORTS.
- Finally, and certainly not unimportantly, the space and facilities to develop yourself: personally and in your field. We facilitate this by offering a wide range of training opportunities and support through various widely supported initiatives such as 'recognition and appreciation'.

The employment conditions of Maastricht University are largely laid down in the Collective Labour Agreement for Dutch Universities. In addition, local provisions specific to UM apply. For more information, [click here](#).

## Maastricht University

Why work at Maastricht University?

At Maastricht University (UM), everything revolves around the future. The future of our students, as we provide them with a solid, broad foundation for the rest of their lives, and our collective future through our research on solutions to global issues. With our six faculties, we offer a comprehensive range of education and research.

UM currently has over 22,300 students and more than 5,000 employees from all over the world, creating an inspiring and vibrant international community.

Does this international environment, where science is central, appeal to you? And would you like to contribute to this from an academic or staff position? Then you are most welcome to add your unique contribution!

For more information about UM, [Click here](#).

## Student Services Centre

The Student Services Centre (SSC) is the central contact point for all student services and assists students with various matters related to studying and student life. For instance, SSC provides students with information about admission, registration, tuition fees, and diploma recognition, but they can also turn to SSC for legal advice on study-related matters, career advice, a language course, or help from a psychologist. Additionally, SSC offers various extracurricular activities such as a wide range of sports at the University Sports Centre, volunteering opportunities, or lectures and workshops via Studium Generale. SSC thus offers students the chance to develop and enrich themselves beyond their studies, enabling them to enter the job market with a broad foundation.

The direct contact with students and the diversity of services make SSC a dynamic working environment. SSC works extensively with faculties, other service centers within UM, students, and external partners to support students in the best possible way. For more information about SSC, [click here](#).

## UM Sport

The UM SPORT department of the Student Services Centre (SSC) at Maastricht University organizes the sports program for students, staff, and alumni of Maastricht University and for students of Zuyd University of Applied Sciences. With a varied sports offer of over 60 different activities, 31 Student

Sports Associations, fun events, and student-friendly prices, a healthy and enjoyable sports experience is offered, ensuring there is something for everyone. The international character of Maastricht University is also strongly present at UM SPORT, both among its members and its staff. Most activities are offered bilingually (in Dutch and English) so they are accessible to everyone. The UM SPORT team consists of over 120 employees: sports instructors, instructors, reception staff, and department team. Many employees are or were students at Maastricht University and share a love for sports and movement.
