Enrolment before completing prior education (zachte knip regulation)

To help students who have experienced delays in their studies due to COVID-19, we have put the ‘zachte knip’ regulation in place. This regulation means that you can enrol in your next education programme before you have completed your prior education.

Were you, due to the COVID-19 pandemic, unable to earn enough credits in the academic year 2021-22 to complete your prior education on time? In that case, you will be given the opportunity to conditionally start your next education programme at UM under certain terms in academic year 2022-23 (study start in September or February).

When are you eligible for the ‘zachte knip’?

Would you like to go from:

- a bachelor's programme to a UM pre-master's or master's programme,
- a pre-master's or 'schakel' programme to a UM master's programme, or
- an HBO propedeuse (first-year diploma at a university of applied sciences) to a UM bachelor's programme?

Read [here](#) about the conditions for qualifying for the ‘zachte knip’.

Exceptions to the rule

As an exception to the standard, some programmes of the Faculty of Arts and Social Sciences apply an adjusted standard to admit students on the basis of the ‘zachte knip’:
FASoS students may miss a maximum of 12 ECTS from the last two years of their bachelor's programme. In addition, students of the UM bachelor Arts and Culture may miss a maximum of 16 ECTS as the thesis of this programme consists of 16 ECTS. Students of the UM bachelor Digital Society may miss a maximum of 17 ECTS as the thesis of this programme consists of 17 ECTS.

How and when do you file an application for the ‘zachte knip’?

Beginning of July, we will let you know [here](#) how and when to apply for the ‘zachte knip’ regulation.
