- in case students do not meet the prerequisites for Statistics II you are required to take Statistics I (no ECTS) as well. Statistics I is a bridging/preparatory course in August; it is not a mandatory course, nor will it have a grade. However, if students do not have any previous knowledge of Statistics, then it is advisable they participate.

The current course offer is subject to change without prior notice.

Participants in the Double Degree programme are responsible for getting acquainted with, and for abiding by, the rules and regulations of their host university in a timely manner, especially with regard to examination types, schedules and forms of resits, if any.

The Education and Examination Regulations (MSc-EER) for the Master's study programmes at the School of Business and Economics of Maastricht University (UM) apply to all Double Degree programmes. You can find the MSc-EER's on the Student Portal (My SBE Intranet), under "Regulations, rights and duties".

After successful completion of all the requirements of both Master programmes, students will be awarded a Master's degree in Management from Nova and the degree of Master of Science in International Business – Open programme from SBE.

### **Fixed curriculum**

Please note that all SBE Network programmes (including the Double Degree programmes) have a fixed curriculum. It is not possible to switch/waive /cancel any of the courses offered in these fixed programmes.
