Manual - multiple users

Setting up multiple user accounts on the Galaxy Tab 4

This manual helps you create multiple user accounts on your tablet. Different users will share the same settings, but applications and email accounts are user accessable only.

-- When using UM IT services you agree to UM's Acceptable Use Policy. The complete text can be found on the website: http://www.maastrichtun iversity.nl/informationsecurity --

What do you need?

- Galaxy Tab 4
- The person who is going to use the other account
