Required documents based on your educational background

Dutch/Flemish University level

Relevant Dutch or Flemish NVAO-accredited diploma

Some study programmes in the Netherlands and Flandres (Belgium) have the so-called NVAO accreditation. If your study programme is mentioned on the [list of relevant NVAO-accredited programmes](#), please upload the following documents in the MyApplication portal, after applying via Studielink:

- **Grades transcript of your bachelor's programme**
Upload an official grades transcript, signed and stamped by your university, plus a translation if the original is not in English.
- **Copy of your degree (if obtained)**
- **Curriculum vitae**
List your education, relevant extracurricular activities, internships and (professional) experience.
- **Motivation letter**
Provide good arguments for why you want to do this master's programme at Maastricht University and why you expect that you can successfully complete the programme. This letter should be about 1 or 2 pages long.
- **A recent passport picture**
- **A copy of your valid passport or your EU/EEA identity card**

In the MyApplication portal, you will find more information about these tasks.

UM School of Business and Economics diploma

Are you student at Maastricht University (UM) and do you have one of the following degrees/certificates? In that case, you qualify for direct admission:

- a UM bachelor's degree in Econometrics and Operations Research

Except for a copy of your valid passport, you do not need to upload any other documents via the MyApplication portal.

Other Dutch university diploma

If you have another bachelor's or master's degree from a Dutch university in a field related to Business, Computer Science, Economics, Econometrics, Engineering, Mathematics, Liberal Arts or Physics, you qualify for admission. Please upload the following documents via the MyApplication portal:

- **Grades transcript of your bachelor's programme**

Upload an official grades transcript, signed and stamped by your university, plus a translation if the original is not in English

- **Copy of your degree (if obtained)**

- **Curriculum vitae**

List your education, relevant extracurricular activities, internships and (professional) experience.

- **Motivation letter**

Provide good arguments for why you want to do this master's programme at Maastricht University and why you expect that you can successfully complete the programme. This letter should be about 1 or 2 pages long.

- **Proof of academic capabilities**

Demonstrate your academic capabilities by choosing one of the options below:

- *Option 1:* Submit a [portfolio](#). Please use the standard template and insert all your proof into the file.

- **A statement from the university of your premaster indicating that you have finished the pre-master's programme successfully.** Please use our [standard template](#).
- **A recent passport picture**
- **A copy of your valid passport or your EU/EEA identity card**

How do we assess your application?

When you want to apply or are applying to this study programme, it is useful to know how we assess your application. You can find more information about this here.

The Board of Admission evaluates the quality of your application by looking at your GMAT score/Proof of Academic Capabilities (if applicable), IELTS/TOEFL score (if applicable), Grade Point Average, the level of statistics and mathematics and at how well your bachelor's programme corresponds with the master's programme. Besides this, the Board looks at your motivation, relevant work experience, international experience and extra-curricular activities. Based on this information, the Board of Admission will decide whether you can be admitted to the programme or not.

Assessment happens **on a rolling basis**. This means that, once you submit a complete file with all the minimum required scores, it will be presented to the Board of Admission.

We will not wait until the deadline before we present your file to the Board. You will receive a **decision within 2-4 weeks** after completion of your file.
