

Lab rules ML II Laboratory

Before using the MCL ML II Laboratories contact:

the Responsible Investigator: Kèvin Knoops (K.Knoops@maastrichtuniversity.nl) or

the Departmental Biosafety Expert: Helma Kuijpers (H.Kuijpers@maastrichtuniversity.nl)

Before entering the ML II lab

- You can only work in the ML II lab with a signed approval from the Biosafety Officer
- No personal belongings in the lab
- No eating (no chewing gum) and drinking in the lab
- No paperwork in the lab; no cardboard boxes in the ML II lab
- No hand jewels
- Tie long hair
- No headphones

When you are in the ML II lab

- Always wear a closed lab coat with green collar
- Never wear the ML II lab coats out of the ML II area
- Write all your GMO work in the logbook
- Centrifugation only in closed containers
- Waste and gloves always in yellow bins with red lid
- When a yellow bin is full, disinfect completely with 70 % ethanol and add a yellow sticker, write the permission number IG 15-025 from the Ministry
- After work always disinfect working surfaces with 70 % ethanol for at least 30 seconds

If you leave the room

- First take off your lab coat
- Wash your hands with soap and dry with a tissue and drop it in the normal bin

In case of a spill

- Wear overshoes
- Make a fresh solution of 1 tablet chlorine in 1000 ml water and cover the spill with chlorine solution for at least 10 minutes
- Contact MCL Responsible Investigator or Departmental Biosafety Expert (see below)
- Report this incident in the logbook and fill in the incident form for CRISP facility

In case of doubt call:

Departmental biosafety expert: Helma Kuijpers +31 6 36066252

Responsible investigator: Kèvin Knoops + 31 6 28034996

Emergency number: +31 43 387 5566
