

You stated that:

- you are going to be registered as a **full-time** exchange student
- you wish to live in the Netherlands during your studies
- you do **not** have a Dutch residence permit
- you do **not** have the **nationality** and a valid passport of one of the following countries:

Australia	Denmark	Ireland	Monaco	South Korea
Austria	Estonia	Japan	New Zealand	Spain
Belgium	Finland	Italy	Norway	Sweden
Bulgaria	France	Latvia	Poland	Switzerland
Canada	Germany	Liechtenstein	Portugal	The Netherlands
Croatia	Greece	Lithuania	Romania	United Kingdom
Cyprus	Hungary	Luxemburg	Slovenia	USA
Czech Republic	Iceland	Malta	Slovakia	Vatican City

If this is incorrect, you must go through the [Legal Residence Flowchart \(link\)](#) again.

What has to happen?

Only educational institutes can apply for study visas and residence permits. Therefore, you must:

- Upload the necessary documents ([paragraph A](#)) to <https://myum.unimaas.nl/irj/portal>
- Make the necessary payment(s) ([paragraph B](#))

Deadline for file completion

- When starting in September: **30 June 2025 at 23:59:59CET**
- When starting in February: **30 November 2025 at 23:59:59CET**

Start uploading your documents in time! Evaluating your documents may take up to 10 working days.

If you are unable to meet all legal residence requirements before the deadline, we cannot establish legal residence for you in time and you cannot complete your registration. In that case, you have to withdraw your application. You may decide to re-apply for the next possible entry date.

Paragraph A. Upload the necessary documents

You have to upload documents for the visa procedure in a different portal than the admission documents. Upload documents meant for applying for legal residence in the folder “VISA” **ONLY** on:

<https://myum.unimaas.nl/irj/portal>.

Use the correct document type (a copy of your passport under “passport student”, a copy of the proof of transfer of the legal fees under “proof of money transfers”, etc.).

The general requirements for the documents are:

- Only upload high-quality PDF files in at least 200 dpi, full-page scans in color
- If the language on the document is not Dutch, English, German, or French, a translation into English or Dutch by a professional, certified translator must be included
- Financial documents should always mention a univocal currency of the amounts stated, preferably in Euro (€). Other currencies are also acceptable (keep the conversion rate in mind)
- You can complete forms by hand or digitally. Your signature on the forms must match the signature on your passport
- Address details must be the same on every form

You have to upload the following documents:

1. [A transaction showing the legal fees \(€243\) transferred](#)
2. [Acceptable proof of sufficient financial means](#)
3. [A copy of your valid passport](#)
4. [A completed and signed consent form](#)
5. [A completed Antecedents Certificate](#)
6. [A completed Declaration of intent to undergo a TB test](#)

NOTE; We strongly recommend uploading ALL required documents at once. Your uploads will only be assessed when including financial documents. Merely uploading forms or other non-financial document will halt your assessment until financial documents are added.

1. A transaction showing the legal fees (€243) transferred

The €243 for legal fees for the residence permit are non-refundable. This amount is automatically collected from the UM Visa Office bank account by Dutch Immigration. Therefore, you have to transfer the amount to our account in advance.

You can, for instance, upload a transaction overview and/or transaction receipt from your bank showing the full amount for legal fees that have been transferred to the UM VISA bank account, including **ALL** necessary details mentioned in the transaction information. In addition, make sure that the account holder's information from whom the amount is being transferred is visible as well (full name and bank account number).

Only (a copy of) a transfer order does not suffice because this does not prove the actual transfer nor the reference details the bank included.

For transfer instructions and possible exemptions or exceptions, refer to [paragraph B](#).

Required document:

A transaction statement from the bank showing the €243 transferred to the VISA bank account. The transfer reference must show your **student ID number, full name, date of birth, and the words "legal fees"** as a reference, regardless of whose account the legal fees are transferred from. **For instance: "I6XXXXXX, FULL NAME, DD/MM/YYYY, LEGAL FEES".**

2. Acceptable proof of sufficient financial means

You are going to be registered for a certain period. During this period you are required to have a monthly amount of €1,250 at your disposal, which is about €41.10 per day (please refer to [enclosure 6](#) for a cost breakdown of this amount. This means that for registration of 5 months, you will have to prove €6,250 (5 x €1,250). For 5.5 months it is €6,875 (5.5 x €1,250) etc.

You have the following (combinable) options (A, B, C, and D) to prove financial means.

**Documents that do not meet all requirements or are filled in incorrectly are not accepted.
If you cannot meet all requirements for an option, then you need to choose a different option.**

➤ **Option A.** Transfer of a deposit

You transfer the amount required to cover your registration period (*amount of months x €1,250*). To know your registration period, contact the UM International Relations Office (IRO). This amount will be held until your **first day of registration** of your program.

For transfer instructions, refer to [paragraph B](#).

Instructions on how to request the refund will be provided in the **pre-arrival information**, which will be sent to you after your residence permit is approved. In the case of rejection or withdrawal. There might be a delay in the refund process.

Since the deposit will not be refunded before the first day of registration, you must ensure you have enough financial resources to cover the period before receiving your deposit back. You will need to manage this time without access to your deposit once you arrive in the Netherlands, using cash, credit card, or a foreign debit card.

Required document:

A proof of transfer showing the amount transferred. The transfer reference must show your **student ID number, full name, and living allowance** as a reference, regardless of whose account the amount is transferred from. **For instance: "I6XXXXXX, FULL NAME, DD/MM/YYYY, LIVING ALLOWANCE"**. If the transaction does not mention the word **"living allowance"** it will be rejected by Dutch Immigration.

➤ **Option B.** A recent scholarship awarding letter

This is only acceptable from a governmental or an educational institute and only after confirmation of authenticity. **If we cannot objectively verify the scholarship, you will have to choose an alternative option (A, C, or D).**

Required document:

A copy of proof of award of the scholarship. This document must state:

- the date of issue
- your name, first name initials, and date of birth
- the period of the scholarship (from...until...); this should at least cover the registration period. Contact the UM International Relations Office (IRO) for your registration period.
- the entire amount of the monthly allowance of the scholarship-awarding institute and its univocal currency
- the name, address, and contact data of the scholarship awarding institute
- specifically the word “scholarship” or “grant”, and **not** e.g. “sponsorship” or “financial support” nor the words “average”, “approximately”, “at least”, “estimated” or “expected”, as these expressions are too vague

If your scholarship awarding letter does not meet the above-mentioned requirements, we cannot accept the letter! Then choose one of the other options provided.

➤ **Option C.** Proof of sufficient personal resources

Choose **one** of the below options:

- **C.1.** A bank statement
- **C.2.** A copy of a statement of account

Extra requirement joint account holders

Bank statements or statements of account with joint account holders are only accepted if an additional letter is submitted in which the account holders state that both persons have free access to the account. This letter must be signed by the joint account holder and accompanied by a clear and legible copy of the joint account holder’s passport or identity card, containing his/her photograph and signature.

Option C.1. Required documents:

A bank statement is an official document or letter prepared by your bank upon your request. This document must:

- be printed on letterhead paper, be originally signed, and be recent (not older than 2 months)
- state the date of issue
- state your name and first name initials
- state the full and exact account balance and its univocal currency
- state the contact data of the bank, including country and telephone number
- state that the balance is at free disposal
- The words “average”, “approximately”, “at least”, “estimated”, or “expected” are not allowed, as these expressions are too vague

(Refer to [enclosure 1](#) for an example of a bank statement)

Option C.2. Required documents:

A copy of a statement is an overview of your recent account activity and may be downloadable via the online banking platform for your bank. This copy of a statement of account must:

- state your name as the account holder
- meet the same requirements as the bank statement (option C.1.), except for the statement on free disposal
- show **multiple** withdrawals and deposits over at least one month

➤ **Option D.** Proof of financial support by a person residing abroad (e.g. parent or other relative).

Choose **one** of the below options:

- **Option D.1.** Provide the following 3 documents of **your sponsor**:
 1. A financial statement ([enclosure 2](#))
 2. A copy of the passport
 3. A bank statement
- **Option D.2.** Provide the following 3 documents of **your sponsor**:
 1. A financial statement ([enclosure 2](#))
 2. A copy of the passport
 3. A copy of a statement of account

Extra requirement joint account holders

Bank statements or statements of account with joint account holders are only accepted if an additional letter is submitted in which the account holders state that both persons have free access to the account. This letter must be signed by the joint account holder and accompanied by a clear and legible copy of the joint account holder's passport or identity card, containing his/her photograph and signature.

Option D.1 Required documents:

- 1. A financial statement ([enclosure 2](#)), completed by the sponsor. Make sure that:**
 - the period between the start and end date covers the registration period. Contact the UM IRO (International Relations Office) for your registration period.
 - the balance of the bank account covers the required amount for the period from start to end date
 - in the case of a joint account, make sure both account holders sign the financial statement
- 2. A clear and legible copy of the sponsor's passport or identity card, containing the sponsor's photograph and signature**
- 3. A bank statement is an official document or letter prepared by your bank upon your request. This document must:**
 - be printed on letterhead paper, be originally signed, and be recent (not older than 2 months)
 - state the date of issue
 - state your name and first name initials
 - state the full and exact account balance and its univocal currency
 - state the contact data of the bank, including country and telephone number
 - state that the balance is at free disposal
 - The words "average", "approximately", "at least", "estimated", or "expected" are not allowed, as these expressions are too vague

(Refer to [enclosure 1](#) for an example of a bank statement)

Option D.2 Required documents:

- 1. A financial statement ([enclosure 2](#)), completed by the sponsor. Make sure that:**
 - the period between the start and end date covers the registration period. Contact the UM IRO (International Relations Office) for your registration period.
 - the balance of the bank account covers the required amount for the period from start to end date
 - in the case of a joint account, make sure both account holders sign the financial statement
- 2. A clear and legible copy of the sponsor's passport or identity card, containing the sponsor's photograph and signature**
- 3. A copy of a statement is an overview of your recent account activity and may be downloadable via the online banking platform for your bank. This copy of a statement of account must:**
 - state your name as the account holder
 - meet the same requirements as the bank statement (option D.1.), except for the statement on free disposal
 - show **multiple** withdrawals and deposits over at least one month

3. A copy of your valid passport

This must be a clear and legible copy of your national passport, including all pages containing personal and validity data (dates of issue and expiration), signatures, stamps, and visas. National identity cards are not acceptable, as they often lack the required details.

The passport should bear your signature and be valid until at least 6 months after your program starts.

If you have visited the Netherlands in the past 3 years, all pages of your passport are required. In that case, make sure that the page with the most recent exit stamp from The Netherlands or another Schengen country is legible.

Required document:

A copy of all your passport pages containing data. Make sure to include the passport page with your signature (holder's or bearer's signature).

4. A completed and signed consent form ([enclosure 3](#))

The form serves several purposes:

- To collect necessary information we do not yet have
- To obtain sufficient permission to act on your behalf as stipulated by European privacy legislation
- To make sure you have taken note of all conditions for receiving the residence permit

CAREFULLY CHECK THE CONTENTS OF THE FORM BEFORE SIGNING

Where to collect your MVV sticker

Your home address should be in the same country where you pick up your visa unless this is impossible because the Dutch embassy or consulate in that country does not issue visas or because

that country does not have a Dutch embassy or consulate at all. In that case, you are allowed to pick up the visa in a neighbouring country that does have a Dutch embassy or consulate that issues visas.

If you are residing in another country than your country of origin, you are allowed to pick up the visa at any visa-issuing embassy or consulate in that country, if you can prove that:

- You have legal residence in that country at the time you pick up the visa
- This legal residence is not based on a tourist visa
- Your home address is in that same country

Please check [this website \(link\)](#) to find out where you can collect your MVV visa. Addresses and telephone numbers can be found on [the website of the Dutch Ministry of Foreign Affairs \(link\)](#).

However, because of a current reorganization of Dutch embassies, we strongly recommend double-checking with the intended mission whether and how they (still) issue visas.

Filling out an incorrect Dutch mission will cause a considerable delay in your visa procedure.

Required document:

A completed and signed consent form (enclosure 3).
--

5. A completed Antecedents Certificate ([enclosure 4](#))

You must complete sections 1 and 2. When in doubt, contact the Visa Office.

Required document:

A completed and signed Antecedents Certificate (enclosure 4).

6. A completed Declaration of intent to undergo a TB test ([enclosure 5](#))

For individuals of certain nationalities, obtaining a Dutch residence permit requires undergoing a tuberculosis (TB) test and, if needed, treatment.

1. Check Your Nationality

- Do you have the nationality of one of the countries on [this list](#) ?
 - a. If yes, you are **exempted** from the test. Do **not** fill in **nor** upload the form.
 - b. If not, go to step 2
- Are you a holder or of a valid special EU residence permit from [this list](#) ?
 - a. If yes, you are **exempted** from the test. Do **not** fill in **nor** upload the form.
 - b. If no, go to step 2

2. Upload documents if your nationality is **not** on the list or you **don't** have a special EU residence permit. You **must** fill in and **upload** the form [enclosure 3](#).

To obtain a Dutch residence permit, you have to undergo a tuberculosis (TB) test and – if necessary – treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and meet all other conditions), the IND will grant you a residence permit as soon as possible. You are granted this permit on the condition that you will undergo a TB test within three months. Signing the declaration of intent and not taking the test within three months will jeopardize your residence permit. You will be contacted by the Visa Office earliest 1 month after the start date of your program on the TB-Test process.

The cost of the test is €60.76.

Required document:

A completed Declaration of intent to undergo a TB test (enclosure 5).

Paragraph B. What payments do you have to make?

1. **€243** for legal fees, except in the following situations:
 - If you have an award letter of a scholarship from Maastricht University, a Stuned scholarship from the Netherlands Support Office (NESO) in Indonesia, a Fulbright scholarship, or a Civil Society Leaderships Award, the legal fees will be charged to your scholarship
 - If you are a citizen of San Marino or Israel, you are exempt from paying legal fees
2. The appropriate amount in case you choose the refundable deposit ([option A](#)) to prove sufficient financial means. In this case, you have to mention the words “**living allowance**” in the transfer. Otherwise, Dutch Immigration will refuse your application.

The deposit is always refundable, but not before the first registration day. The instruction on how to request a refund of your deposit is provided in the pre-arrival information. We will send you this information after approval of the residence permit.

You can combine both sums in one bank transfer to avoid additional bank charges.

Bank transfer details:

International Bank Account Number (IBAN)	NL10 INGB 0677623798
Bank branch details	ING Bank, P.O. Box 1800, 1000 BV Amsterdam, The Netherlands

BIC- or SWIFT-code	INGBNL2A
Reference	Your student ID number, full name, date of birth, and the words “living allowance” and/or “legal fees”. For instance: “I6XXXXXX, FULL NAME, DD/MM/YYYY, LIVING ALLOWANCE/LEGAL FEES”.

Deadline receipt of transfer(s) in our bank

- When starting in September: **30 June 2025 at 23:59:59CET**
- When starting in February: **30 November 2025 at 23:59:59CET**

Bank charges for international transfers

Bank charges for international transfers will be deducted from the amount transferred unless you indicate otherwise. To prevent delays and extra expenses for multiple transfers, please make sure that you indicate that you will pay for the transfer charges or transfer an excess amount of at least €20 to ensure that UM receives the required amount.

Some countries or banks do not allow a bank transfer abroad above a certain amount per transaction. In that case, make multiple smaller transfers up to the required amount and inform the Visa Office of your situation to prevent reminders.

What happens next?

When all submitted documents and payments meet the requirements, we will send your application to the Dutch Immigration and Naturalisation Service (IND). In general, the approval will take approximately 6 weeks. As soon as IND approves your application, we will inform you further. We strongly recommend waiting for the decision before purchasing plane/train tickets or traveling to the Netherlands until you have received the official visa approval letter and collected your visa from the Dutch mission. In addition, you must contact the Dutch mission yourself to make an appointment to collect the visa. The appointment might take a few days and you will have to fill out additional forms. You must submit one or two passport photographs that meet [the Photomatrix Guidelines \(link\)](#), and have your fingerprints taken.

- **You must send a copy of your MVV visa sticker after collection at the embassy to visa@maastrichtuniversity.nl**

Deadline

You should be in the Netherlands no less than 2 weeks before the start of your programme in order to settle, take care of several formalities and take part in the (compulsory) introduction. As the procedure with Dutch Immigration takes 6 weeks, the deadline for completion of the visa requirements is 1 July for the September intake and 1 December for the February intake.

Housing

Your priority is getting a private and personal Dutch address. As this is an absolute necessity to register in the municipality, open a bank account, and meet other obligations. We strongly recommend arranging this as soon as possible from abroad. Postponing this until you have arrived in the Netherlands jeopardizes your financial mobility, legal residence, the timely start of the programme, etc. The address of a hotel, a friend, or the university for registration is not acceptable.

Holders of a Dutch residence permit are not allowed to live outside The Netherlands. You cannot live in Belgium or Germany even though Maastricht University is close to the border and accommodation may be easier to find.

Housing availability

Housing options in Maastricht are severely limited, especially at the start of the academic year. Finding suitable accommodation after you have arrived is extremely difficult. Therefore, we strongly advise you not to come to Maastricht if you have not found housing in or around Maastricht before the academic year begins.

Consider using official housing resources like:

- www.maastrichthousing.com
- www.mymaastricht.nl/housing

And when I arrive in the Netherlands?

Collect your residence permit

Once Dutch Immigration approves your visa and once the Visa Office receives a copy, we will let you know where and when you can pick up your residence permit. As this permit replaces the MVV visa in your passport, it is essential to travel outside the Netherlands after your arrival.

The registration in the Municipal Records Database (BRP)

It is mandatory to register in the Municipal Records Database (BRP) at the city where you will be residing in the Netherlands. For those planning to live in Maastricht (ZIP codes 6200 AA to 6229 ZZ), you must present a valid passport and a legalized birth certificate. For information on the legalization process, please refer to [the Dutch government's legalization page](#) or contact Maastricht Municipality directly at post@maastricht.nl.

If you plan to reside in any other Dutch municipality, it is essential to contact the City Hall of that specific municipality to inquire about their registration requirements.

Reminder: Holders of a Dutch residence permit are not allowed to live outside The Netherlands. You cannot live in Belgium or Germany even though Maastricht University is close to the border and accommodation may be easier to find.

The TB test

One of the residence permit requirements is that you will have to subject yourself to an x-ray of your chest to rule out tuberculosis. The test has to be taken within three months upon arrival. The costs of the test are € 60.76. Citizens of [these countries \(link\)](#) and holders of a valid special EU residence permit from [this list \(link\)](#) are exempt from the test. In all other cases, you will have to take the test, even if you recently had a similar test in another country. More information on the test will follow after you have arrived in the Netherlands. Please note that non-compliance may result in the suspension of your residence permit.

Health insurance

Health insurance is a statutory obligation in The Netherlands. If you already have health insurance in your home country, please check whether this also covers your entire stay in the Netherlands and to what extent. If you do not have health insurance yet, or if your current insurance policy does not (sufficiently) cover your stay in The Netherlands, you have to take out health insurance in the Netherlands. We strongly advise you to take care of this before you leave for the Netherlands to ensure proper coverage. For more information and suggestions, please refer to [this insurance page \(link\)](#).

Enclosure 5: Appendix Declaration of intent to undergo a TB test ([refer to item 6 in paragraph B.](#))

Appendix Declaration of intent to undergo a TB test

To obtain a residence permit, you (or the person, you represent must be prepared to undergo a tuberculosis (TB) test and – if necessary – treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will undergo a TB test within three months of having received your residence permit. Should it become clear after the issue of a residence permit that – despite signing the declaration of intent – you failed to undergo a TB test within three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test' ([link](#)). Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.
