

You stated that you have a Dutch residence permit that is valid for **less than** 3 months after the designated starting date of your registration. You cannot extend it for the same purpose and wish to change to a residence permit for study.

If this is incorrect, you must go through the Legal Residence Flowchart again.

What has to happen?

Only educational institutes can apply for a study visa and residence permit. Therefore, you must:

- Upload the necessary documents (paragraph A) to https://myum.unimaas.nl/irj/portal
- Make the necessary payment(s) (paragraph B)

Deadline for file completion:

- When starting in September: 30 June 2025 at 23:59:59CET
- When starting in February: 30 November 2025 at 23:59:59CET

This includes the document verification process, so we strongly recommend completing earlier.

Start uploading your documents in time! Evaluating your documents may take up to 10 working days.

If you are unable to meet all requirements before the deadline, we cannot establish legal residence for you in time and you cannot complete your registration. In that case, you have to withdraw your application from Studielink. You may decide to re-apply for the next possible entry date.

Paragraph A. Upload the necessary documents

You have to upload documents for the visa procedure in a different portal than the admission documents. Upload documents meant for applying for legal residence in the folder "VISA" **ONLY** on:

https://myum.unimaas.nl/irj/portal.

Use the correct document type (a copy of your passport under "passport student", a copy of the proof of transfer of the legal fees under "proof of money transfers", etc.).

The general requirements for the documents are:

- Only upload high-quality PDF files in at least 200 dpi, full-page scans in color
- If the language on the document is not Dutch, English, German, or French, a translation into English or Dutch by a professional, certified translator must be included
- Financial documents should always mention a univocal currency of the amounts stated, preferably in Euro (€). Other currencies are also acceptable (keep the conversion rate in mind)
- You can complete forms by hand or digitally. Your signature on the forms must match the signature on your passport
- Address details must be the same on every form.

You have to upload the following documents:

- 1. <u>A transaction statement showing the legal fees (€243) transferred</u>
- 2. Acceptable proof of sufficient financial means (€ 15.000)
- 3. <u>A copy of your valid passport</u>
- 4. <u>A completed and signed consent form</u>
- 5. <u>A completed Antecedents Certificate</u>
- 6. <u>A copy of the front and back of your valid Dutch residence permit</u>
- 7. A completed and signed permission form for document verification

1. A transaction statement showing the legal fees (€243) transferred

The €243 for legal fees for the residence permit are non-refundable. This amount is automatically collected from the UM Visa Office bank account by Dutch Immigration. Therefore, you have to transfer the amount to our account in advance.

You can, for instance, upload a transaction overview and/or transaction receipt from your bank showing the full amount for legal fees have been transferred to the UM VISA bank account, including **ALL** necessary details mentioned in the transaction information. In addition, make sure that the account holder's information from whom the amount is being transferred is visible as well (full name and bank account number).

Only (a copy of) a transfer order does not suffice because this does not prove the actual transfer nor the reference details the bank included.

For transfer instructions and possible exemptions or exceptions, refer to <u>paragraph B</u>.

Required document:

A transaction statement from the bank showing the €243 transferred to the VISA bank account. The transfer reference must show your **student ID number**, full name, date of birth, and the words "legal fees" as a reference, regardless of whose account the legal fees are transferred from. For instance: "I6XXXXXX, FULL NAME, DD/MM/YYYY, LEGAL FEES".

2. Acceptable proof of sufficient financial means (€15,000)

Degree students must demonstrate enough financial resources for at least one year. This requires having a minimum of $\leq 15,000$ available, based on 12 months x $\leq 1,250$ (see <u>enclosure 5</u> for a cost breakdown). You have the following (combinable) options (A, B, C, and D) to prove this.

Documents that do not meet all requirements or are filled in incorrectly are not accepted. If you cannot meet all requirements for an option, then you need to choose a different option.

> **Option A.** Transfer of a deposit (€15.000)

You transfer €15.000 (12 months x €1,250) to the Visa Office bank account. This amount will be held until your **first day of registration** of your program.

For transfer instructions of the deposit, refer to paragraph B.

Instructions on how to request the refund will be provided in the **pre-arrival information**, which will be sent to you after your residence permit is approved. In de case of rejection or withdrawal. There might be a delay in the refund process.

Since the deposit will not be refunded before the first day of registration, you must ensure you have enough financial resources to cover the period before receiving your deposit back. You will need to manage this time without access to your deposit once you arrive in the Netherlands, using cash, credit card, or a foreign debit card.

Required document:

A proof of transfer showing the amount transferred. The transfer reference must show your **student ID number, full name**, and **living allowance** as a reference, regardless of whose account the amount is transferred from. **For instance: "I6XXXXXX, FULL NAME, DD/MM/YYYY, LIVING ALLOWANCE".** If the transaction does not mention the word "**living allowance**" it will be rejected by Dutch Immigration.

> Option B. A recent scholarship awarding letter

This is only acceptable from a governmental or an educational institute and only after confirmation of authenticity. If we cannot objectively verify the scholarship, you will have to choose an alternative option (A, C, or D).

Required document:

A copy of the scholarship awarding letter. This document must:

- be printed on letterhead paper, be originally signed
- state the date of issue (not older than 2 months)
- state your name, first name initials, and date of birth
- state the period of the scholarship (from...until...); this should at least cover the full registration period at Maastricht University as mentioned in the accompanying email
- state the entire amount of the monthly allowance of the scholarship-awarding institute and its univocal currency
- state the name, address, and contract data of the scholarship awarding institute
- state specifically the word "scholarship" or "grant", and not e.g. "sponsorship" or "financial support" nor the words "average", "approximately", "at least", "estimated" or "expected", as these expressions are too vague

If your scholarship awarding letter does not meet the above-mentioned requirements, we cannot accept the letter! Then choose one of the other options provided.

> **Option C.** Proof of sufficient personal resources

Choose **one** of the below options:

- o **C.1.** A bank statement
- **C.2.** A copy of a statement of account

Extra requirement joint account holders

Bank statements or statements of account with joint account holders are only accepted if an additional letter is submitted in which the account holders state that both persons have free access to the account. This letter must be signed by the joint account holder and accompanied by a clear and legible copy of the joint account holder's passport or identity card, containing his/her photograph and signature.

Option C.1. Required documents:

A bank statement is an official document or letter prepared by your bank upon your request. This document must:

- be printed on letterhead paper, be originally signed, and be recent (not older than 2 months)
- state the date of issue
- state your name and first name initials
- state the full and exact account balance and its univocal currency
- state the contact data of the bank, including country and telephone number
- state that the balance is at free disposal
- The words "average", "approximately", "at least", "estimated", or "expected" are not allowed, as these expressions are too vague

(Refer to enclosure 1 for an example of a bank statement)

Option C.2. Required documents:

A copy of a statement is an overview of your recent account activity and may be downloadable via the online banking platform for your bank. This copy of a statement of account must:

- state your name as the account holder
- meet the same requirements as the bank statement (option C.1.), except for the statement on free disposal. Instead, the document must show multiple withdrawals and deposits over at least one recent month.
- Option D. Proof of financial support by a person residing abroad (e.g. parent or other relative).

Choose **one** of the below options:

- **Option D.1**. Provide the following 3 documents of **your sponsor**:
 - 1. A financial statement (enclosure 2 (link))
 - 2. A copy of the passport
 - 3. A bank statement
- **Option D.2**. Provide the following 3 documents of **your sponsor**:

This letter must be signed by the joint account holder and accompanied by a clear and legible copy of the joint account holder's passport or identity card, containing his/her photograph and signature.

Option D.1 Required documents:

- 1. A financial statement (<u>enclosure 2</u>), completed by the sponsor. Make sure that:
 - the period between the start and end date covers the registration period. Contact the UM IRO (International Relations Office) for your registration period.

 - in the case of a joint account, make sure both account holders sign the financial statement
- 2. A clear and legible copy of the sponsor's passport or identity card, containing the sponsor's photograph and signature
- **3.** A bank statement is an official document or letter prepared by your bank upon your request. This document must:

 - state the full and exact account balance and its univocal currency
 - state the contact data of the bank, including country and telephone number
 - state that the balance is at free disposal
 - The words "average", "approximately", "at least", "estimated", or "expected" are not allowed, as these expressions are too vague

(Refer to enclosure 1 for an example of a bank statement)

Option D.2 Required documents:

 - state your name as the account holder
 - meet the same requirements as the bank statement (option D.1.3.), except for the statement on free disposal. Instead, the document must show multiple withdrawals and deposits over at least one recent month.

3. A copy of your valid passport

This must be a clear and legible copy of your national passport, including all pages containing personal and validity data (dates of issue and expiration), signatures, stamps, and visas. National identity cards are not acceptable, as they often lack the required details.

The passport should bear your signature and be valid until at least 6 months after your program starts.

If you have visited the Netherlands in the past 3 years, all pages of your passport are required. In that case, make sure that the page with the most recent exit stamp from The Netherlands or another Schengen country is legible.

Required document:

A copy of all your passport pages containing data. Make sure to include the passport page with your signature (holder's or bearer's signature).

4. A completed and signed consent form (enclosure 3)

The form serves several purposes:

- To collect necessary information we do not yet have
- To obtain sufficient permission to act on your behalf as stipulated by European privacy legislation
- To make sure you have taken note of all conditions for receiving the residence permit

CAREFULLY CHECK THE CONTENTS OF THE FORM BEFORE SIGNING

Please note that if your documents cannot be objectively verified, UM will NOT apply for a visa/residence permit for study purposes for you.

Paragraph B. What payments do you have to make?

- 1. €243 for legal fees, except in the following situations:
 - If you have an award letter of a scholarship from Maastricht University, a Stuned scholarship from the Netherlands Support Office (NESO) in Indonesia, a Fulbright scholarship, or a Civil Society Leaderships Award, the legal fees will be charged to your scholarship
 - > If you are a citizen of San Marino or Israel, you are exempt from paying legal fees
- 2. €15,000 as a deposit if you do not have a scholarship. In this case, you have to mention the words "living allowance" in the transfer. Otherwise, Dutch Immigration will refuse your application.

The deposit is always refundable, but not before the first registration day. The instruction on how to request a refund of your deposit is provided in the pre-arrival information. We will send you this information after approval of the residence permit.
