

You stated that you have a Dutch residence permit for study purposes that is valid after the designated starting date of your registration and you are transferring to Maastricht University from another educational institute.

If this is incorrect, you must go through the [Legal Residence Flowchart \(link\)](#) again.

## What has to happen?

To enable your registration you must:

- Upload the necessary documents ([paragraph A](#)) to <https://myum.unimaas.nl/irj/portal>

### Deadline for file completion

- When starting in September: **30 June 2025 at 23:59:59CET**
- When starting in February: **30 November 2025 at 23:59:59CET**

This includes the document verification process, so we strongly recommend completing earlier.

**Start uploading your documents in time! Evaluating your documents may take up to 10 working days.**

If you are unable to meet all legal residence requirements before the deadline, we cannot establish legal residence for you in time and you cannot complete your registration. In that case, you have to withdraw your application from Studielink. You may decide to re-apply for the next possible entry date.

## Paragraph A. Upload the necessary documents

You have to upload documents for the visa procedure in a different portal than the admission documents. Upload documents meant for applying for legal residence in the folder “VISA” **ONLY** on:

<https://myum.unimaas.nl/irj/portal>.

Use the correct document type (a copy of your passport under “passport student”, a copy of the proof of transfer of the legal fees under “proof of money transfers”, etc.).

### The general requirements for the documents are:

- Only upload high-quality PDF files in at least 200 dpi, full-page scans in color
- If the language on the document is not Dutch, English, German, or French, a translation into English or Dutch by a professional, certified translator must be included
- Financial documents should always mention a univocal currency of the amounts stated, preferably in Euro (€). Other currencies are also acceptable (keep the conversion rate in mind)
- You can complete forms by hand or digitally. Your signature on the forms must match the signature on your passport
- Address details must be the same on every form

**You have to upload the following documents:**

1. [Acceptable proof of sufficient financial means \(€15,000\)](#)
2. [A copy of your valid passport](#)
3. [A completed and signed "Consent form for degree students with an ongoing residence permit transferring to UM"](#)
4. [A copy of your valid Dutch residence permit](#)
5. [A completed and signed permission form for document verification](#)

**NOTE;** We strongly recommend uploading ALL required documents at once. Your uploads will only be assessed when including financial documents. Merely uploading forms or other non-financial document will halt your assessment until financial documents are added.

## 1. Acceptable proof of sufficient financial means (€15,000)

Just as you had to do for your current residence permit, you will have to prove that you have sufficient financial resources. This requires having a minimum of €15,000 available, based on 12 months x €1,250 (see [enclosure 4](#)) for a cost breakdown). You have the following (combinable) options (A, B, C, and D) to prove this:

➤ **Option A.** Transfer of a deposit

You transfer the amount required to cover your registration period (*amount of months x €1,250*). To know your registration period, contact the UM International Relations Office (IRO). This amount will be held until your **first day of registration** of your program.

For transfer instructions, refer to [paragraph B](#).

Instructions on how to request the refund will be provided in the **pre-arrival information**, which will be sent to you after your residence permit is approved. In the case of rejection or withdrawal. There might be a delay in the refund process.

**Since the deposit will not be refunded before the first day of registration**, you must ensure you have enough financial resources to cover the period before receiving your deposit back. You will need to manage this time without access to your deposit once you arrive in the Netherlands, using cash, credit card, or a foreign debit card.

**Required document:**

A proof of transfer showing the amount transferred. The transfer reference must show your **student ID number, full name, and living allowance** as a reference, regardless of whose account the amount is transferred from. **For instance: "I6XXXXXX, FULL NAME, DD/MM/YYYY, LIVING ALLOWANCE"**. If the transaction does not mention the word **"living allowance"** it will be rejected by Dutch Immigration.

➤ **Option B.** A recent scholarship awarding letter

This is only acceptable from a governmental or an educational institute and only after confirmation of authenticity. **If we cannot objectively verify the scholarship, you will have to choose an alternative option (A, C, or D).**

**Required document:**

A copy of proof of award of the scholarship. This document must state:

- the date of issue
- your name, first name initials, and date of birth
- the period of the scholarship (from...until...); this should at least cover the full registration period as mentioned in the accompanying email
- the entire amount of the monthly allowance of the scholarship-awarding institute and its univocal currency
- the name, address, and contract data of the scholarship awarding institute
- specifically the word “scholarship” or “grant”, and **not** e.g. “sponsorship” or “financial support” nor the words “average”, “approximately”, “at least”, “estimated” or “expected”, as these expressions are too vague

**If your scholarship awarding letter does not meet the above-mentioned requirements, we cannot accept the letter! Then choose one of the other options provided.**

➤ **Option C.** Proof of sufficient personal resources

Choose **one** of the below options:

- **C.1.** A bank statement
- **C.2.** A copy of a statement of account

**Extra requirement joint account holders**

Bank statements or statements of account with joint account holders are only accepted if an additional letter is submitted in which the account holders state that both persons have free access to the account. This letter must be signed by the joint account holder and accompanied by a clear and legible copy of the joint account holder’s passport or identity card, containing his/her photograph and signature.

**Option C.1. Required documents:**

A bank statement is an official document or letter prepared by your bank upon your request. This document must:

- be printed on letterhead paper, be originally signed, and be recent (not older than 2 months)
- state the date of issue
- state your name and first name initials
- state the full and exact account balance and its univocal currency
- state the contact data of the bank, including country and telephone number
- state that the balance is at free disposal
- The words “average”, “approximately”, “at least”, “estimated”, or “expected” are not allowed, as these expressions are too vague

(Refer to [enclosure 1](#) for an example of a bank statement)

**Option C.2. Required documents:**

A copy of a statement is an overview of your recent account activity and may be downloadable via the online banking platform for your bank. This copy of a statement of account must:

- state your name as the account holder
- meet the same requirements as the bank statement (option C.1.), except for the statement on free disposal
- show **multiple** withdrawals and deposits over at least one month

➤ **Option D.** Proof of financial support by a person residing abroad (e.g. parent or other relative).

Choose **one** of the below options:

- **Option D.1.** Provide the following 3 documents of **your sponsor**:
  1. A financial statement ([enclosure 2](#))
  2. A copy of the passport
  3. A bank statement
- **Option D.2.** Provide the following 3 documents of **your sponsor**:
  1. A financial statement ([enclosure 2](#))
  2. A copy of the passport
  3. A copy of a statement of account

**Extra requirement joint account holders**

Bank statements or statements of account with joint account holders are only accepted if an additional letter is submitted in which the account holders state that both persons have free access to the account. This letter must be signed by the joint account holder and accompanied by a clear and legible copy of the joint account holder's passport or identity card, containing his/her photograph and signature.

**Option D.1 Required documents:**

- 1. A financial statement ([enclosure 2](#)), completed by the sponsor. Make sure that:**
  - the period between the start and end date covers the registration period. Contact the UM IRO (International Relations Office) for your registration period.
  - the balance of the bank account covers the required amount for the period from start to end date
  - in the case of a joint account, make sure both account holders sign the financial statement
- 2. A clear and legible copy of the sponsor's passport or identity card, containing the sponsor's photograph and signature**
- 3. A bank statement is an official document or letter prepared by your bank upon your request. This document must:**
  - be printed on letterhead paper, be originally signed, and be recent (not older than 2 months)
  - state the date of issue
  - state your name and first name initials
  - state the full and exact account balance and its univocal currency
  - state the contact data of the bank, including country and telephone number
  - state that the balance is at free disposal
  - The words "average", "approximately", "at least", "estimated", or "expected" are not allowed, as these expressions are too vague

(Refer to [enclosure 1](#) for an example of a bank statement)

**Option D.2 Required documents:**

- 1. A financial statement ([enclosure 2](#)), completed by the sponsor. Make sure that:**
  - the period between the start and end date covers the registration period. Contact the UM IRO (International Relations Office) for your registration period.
  - the balance of the bank account covers the required amount for the period from start to end date
  - in the case of a joint account, make sure both account holders sign the financial statement
- 2. A clear and legible copy of the sponsor's passport or identity card, containing the sponsor's photograph and signature**
- 3. A copy of a statement is an overview of your recent account activity and may be downloadable via the online banking platform for your bank. This copy of a statement of account must:**
  - state your name as the account holder
  - meet the same requirements as the bank statement (option D.1.3.), except for the statement on free disposal. Instead, the document must show **multiple** withdrawals and deposits over at least one recent month.

## **2. A copy of your valid passport**

This must be a clear and legible copy of your national passport, including all pages containing personal and validity data (dates of issue and expiration), signatures, stamps, and visas. National identity cards are not acceptable, as they often lack the required details.

The passport should bear your signature and be valid until at least 6 months after your program starts.

If you have visited the Netherlands in the past 3 years, all pages of your passport are required. In that case, make sure that the page with the most recent exit stamp from The Netherlands or another Schengen country is legible.

**Required document:**

A copy of all your passport pages containing data. Make sure to include the passport page with your signature (holder's or bearer's signature).

## **3. A completed and signed "consent form for degree students with an ongoing residence permit for study transferring to UM" ([enclosure 3](#))**

The form serves several purposes:

- To collect necessary information we do not yet have
- To obtain sufficient permission to act on your behalf as stipulated by European privacy legislation
- To make sure you have taken note of all conditions for receiving the residence permit

**CAREFULLY CHECK THE CONTENTS OF THE FORM BEFORE SIGNING**

**Required document:**

A completed and signed consent form ([enclosure 3](#)).

#### 4. A copy of your valid residence permit

This must be a clear and legible copy of your residence permit.

**Required document:**

A copy of your valid residence permit. Please upload a copy of the front and back of the residence permit

#### 5. A completed and signed permission form for document verification ([enclosure 5](#))

Part of the legal residence process is that we objectively verify the origin, authenticity and accuracy of all documents you have submitted for your admission, either at the issuing institute or other official qualification registry.

If you have completed this form earlier in this admission process, you do not have to complete it again.

**Required document:**

[A completed and signed permission form for document verification](#)

**Please note** that if your documents cannot be objectively verified, UM will NOT apply for a visa/residence permit for study purposes for you.

## Paragraph B. What payments do you have to make?

1. **€15,000** as a deposit if you do not have a scholarship. In this case, you have to mention the words “**living allowance**” in the transfer. Otherwise, Dutch Immigration will refuse your application.

**The deposit is always refundable**, but not before the first registration day. The instruction on how to request a refund of your deposit is provided in the pre-arrival information. We will send you this information after approval of the residence permit.

You can combine both sums in one bank transfer to avoid additional bank charges.
